BOOKS & CARDS

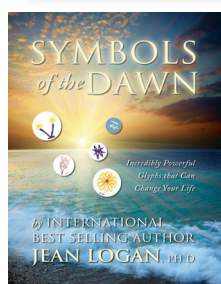

BOOKS

Unlocking the Power of Glyphs - One of the most unusual books ever written. It is a collection of remarkable small drawings called glyphs with Divinely guided programming statements, empowered by the company of heaven with prayers, intentions and blessings to have a strong healing effect on the body. A number of the glyphs are capable of drawing out different negative emotions that hold people back from achieving their goals, while other can transmute toxic matter from the body to Light. Other glyphs can transmute pathogens, heal damaged nerve bundles, and speed the healing of damaged tissue.

Sacred Symbols of Light - is a manual containing 34 empowered symbols that can: resolve malignancies, restore organs and glands that are diseased, resolve eye diseases, regenerate bone and cartilage loss, remove harmful vaccinations and repair their damage, remove etheric implants, resolve neurological problems, remove stagnant lymph, remove toxic matter from the body including kidney stones and much more. It also contains instructions in using Emotional Freedom Technique (EFT).

Symbols of the Dawn - contains symbols that provide powerful scalar energy healing, sacred healing codes, repel negative influences, healing the appendix, purify water, Akashic Record assistance, colon cleanse, regeneration, remove diabetic markers, heal brain injuries and deficiencies, restore collagen to facial tissues and many glyphs to resolve issues we deal with in regards to the insect world (a total of 34 glyphs.)

Provides the audience with information that is life changing.

“ Hi Judy, I could not access Jean Logan's Replay from this message, and wondered if her interview could be given another presentation sometime soon? I believe Jean is one of the brightest stars on the planet, and I was so disappointed to miss her talk with you... I would appreciate hearing Jean's replay so very much!! ” PAMELA

“ I purchased your books... several days ago. I have been sleeping with a glyph for the past several nights taped to my body in various areas. When removing the glyphs from my body and then attempting to separate the glyph from the tape, I noticed a stream of light coming from each one...My husband also witnessed this.. ”

“ I was overwhelmed after listening to your audio tonight. Thank you so much. ”

“ My therapist told me about the glyphs and some of her experiences with them. She sent me home with a sample . “General Balance” glyph, and later I was surprised how quickly it cleared something for me, so I bought the first two books. Now I'm back for the third. ” DF

ASSISTANCE PROGRAM *for* CHILDREN

Children are the Future

All over the world there are children sleeping in streets, doorways and under cardboard boxes, surviving by eating leftover food, doing heavy manual labor, selling trinkets, begging and stealing. Children are the future of their country, and of the world. One step at a time they can be helped to believe in their ability to create a better life for themselves and their community. It is not our goal to change their spiritual beliefs, only to help them realize how wonderful and powerful they are and that they can make a difference.

Kathmandu, Nepal

*Peace Land Orphanage -

Our assistance benefits organizations in Nepal, Peru, and Tanzania.

Donations can be made to Holy Ground Farm, which is a non-profit tax deductible 501(c)3 organization. Your help can make a difference in so many children's lives. www.holygroundfarm.org/Donations/
